North Texas Master Naturalist
Texas Master Naturalist Annual Meeting Scholarship Request Form
2022

Scholarship Opportunity – North Texas Chapter of Texas Master Naturalist (the “Chapter”)

The scholarship program is intended to assist members in good standing, advisors and qualified applicants to the New Class to attend a class, workshop, camp, or other program that offers content related to the mission of the Chapter “to develop a corps of well-informed volunteers to provide education, outreach, and service dedicated to the beneficial management of natural resources and natural areas within their communities.”

1. Applicant must be certified and a member in good standing of the Chapter.
2. Applicant will provide information from the sponsoring organization on the proposed program, content, and dates they wish to attend. They will also provide the total cost of the program and the amount of scholarship funding requested.
3. **Requests must be submitted to the Chapter Vice President at least 30 days prior to the event’s registration deadline.**
4. Total Chapter scholarship grants are subject to an annual budget. If Scholarship budget is still available, the Vice President will be responsible for presenting the request to the Board. The Board will approve or deny the request as soon as possible.
5. The Scholarship grant recipient may be required to write a brief summary of her or his experiences and the knowledge gained in the form of an article for the newsletter and/or website
